“Remeo will take the time to understand the life you love and match it perfectly so you feel you’re coming home.”

REMEO OPTIONS

Remeo *Executive*

Remeo *Executive* is designed for your most senior executives joining your organisation and includes extended settling in services and more time to find the right property for purchase. It could be an individual or a family that will be moved but whichever it is Remeo will look after their needs fully from start to finish so they do not have to worry about a thing. It is envisaged that this client would be moving into rented accommodation first then a purchase being made hence the longer timescale for this of 6 months. It will include everything provided within *Solo* and *Family* with the following differences:

- Face to face meeting with the client ideally at their own home to establish their needs, wants and desires and to get to know them personally
- Co-ordination of accompanied familiarisation visits to Edinburgh with a selection of property viewings for rental and purchase (no limit on number)
- End of lease services provided on rental property i.e. final meter readings, clean, inventory checked, council tax office informed etc
- Assistance to achieve property purchase at best possible price and in some cases off market purchase achieved through Remeo's contacts
- Logistics involved with move into purchased property i.e. organisation of removal company, parking secured for removal lorry, Remeo team on hand to help unpack and organise cupboards/wardrobes
- Spouse networking/introduction to community
- Organisation of memberships for clubs i.e. golf, gym, yoga, etc
- Appointing of staff such as cleaners, housekeeper, gardeners, dog walkers, with follow up to ensure the client is happy with the staff
- On site at property to take in deliveries or access for tradesmen
- Home renovation support by arranging appointments with interior designers, architects, etc
- Personal Directory of Services provided for the family and introductions made on their behalf to relevant stores and suppliers (with family consent)
- Support time – 6 months included

It is envisaged that this option could easily take up to six months to successfully source a property to purchase and to ensure that the family are settled into their new life.
